The Sheltoewe Trace National Recreation Trail (Trail #100) traverses the entire length of the Daniel Boone National Forest. Part of the Sheltoewe Trace passes through the Red River Gorge. The trail is marked by a diamond-shaped blaze or a turtle symbol.

WARNING

The cliffines of the Red River Gorge are beautiful, but they are also dangerous. Please be careful.

A pass is required for parking overnight in the Gorge and Indian Creek Area (between the hours of 10 p.m. and 6 a.m.). Passes are available in local stores and at the District Office in Stanton.
